Akshay Yadava
Date of birth: 1979-07-19
Nationality: Indian

has successfully completed the course

Company/Ship Security Officer (CSO/SSO) Training Course

from 21 October 2015 to 23 October 2015 in Singapore

and has been found duly qualified to serve as **Company Security Officer (CSO)**.

The aim of the course was to provide detailed knowledge, understanding and proficiency to perform the duties and responsibilities of a Company Security Officer, as defined in sections A/2.1.7, A/11.2 and B/13.1 of the International Ship and Port Facility Security Code (ISPS-Code). The course complies with the requirements of the IMO Model Course 3.20.
This training course is approved by major flag states.

The participant has demonstrated the competence to:

- Develop, maintain and supervise the implementation of a Ship Security Plan;
- Assess security risk, threat and vulnerability;
- Undertake regular inspections of the ship to ensure appropriate security measures are implemented and maintained;
- Undertake periodic inspections of the ships for which he is designated as the Company Security Officer to ensure appropriate security measures are implemented and maintained;
- Ensure that security equipment and systems, if any, are properly operated, tested and calibrated;
- Encourage security awareness and vigilance.
