

CIAAC Certificate

Certificate awarded to
Fu Peng

Goodwood Ship Management Pte Ltd

CIAAC is driven by Accelleron's belief that appropriate information empowers operators to get the most out of their turbochargers and thus enables them to maximize their profitability.

The CIAAC course provides the very latest information about Accelleron's complete range of turbochargers, including both theory and practical applications in maintenance.

Singapore, August 18, 2022

Wong Chee Fai
Regional Technical Manager
